NORTH CAROLINA'S INTEREST
IN THE JOHNS HOPKINS
UNIVERSITY.

That this State has a special, a money-
eyed interest in the foundation estab-
lished by JOHNS HOPKINS, the Baltimore
philanthropist whose millions have done
and are doing so much for the promotion
of the higher education throughout this
and other countries, is not generally
known. Unfortunately we have not pro-
fited to the extent which this benefac-
tion made possible, still when it is re-
membered that the Johns Hopkins Uni-
versity is represented in the faculties of
our State University, Trinity, Davidson
and Wake Forest, and that a number of
the most promising graduates of those
institutions are studying there, it can
be realized why we should hold in grate-
ful remembrance the name of JOHNS
HOPKINS.

The Johns Hopkins University was
opened in 1876, and its growth and in-
fluence as an educational institution has
no parallel. University instruction is
offered to young men who have already
taken an academic degree or who have
otherwise fitted themselves for advanced
courses of study.

The cosmopolitan character of the
Johns Hopkins is best indicated by the
fact that during the past session not
only was there scarcely an American
university or college of reputation which
was not represented in the student
clientage, but its attendance also in-
cluded graduates of the following foreign
institutions: The universities of Cam-
bridge, Bonn, Basle, Bayreuth, Havana,
Heidelberg, Tokio and Toronto McGill
University, King's College, Dalhousie
College and the Imperial College of Japan.

Another evidence of its reputation is
that it has representatives in the fac-
ulties of all the most noted American in-
stitutions.

Mr. Hopkins was a man of heart as
well as wisdom, and in founding this
great University he made special pro-
vision for students offering from those
States which, as a merchant and banker,
he drew the bulk of his immense for-
tune. In his will he says:

"And I further request the trustees of
said University to establish, from time to
time, such number of free scholarships
in the said University as may be judi-
cious, and to distribute the said scholar-
ships amongst such candidates from the
States of Maryland, Virginia and North
Carolina as may be most deserving of
choice because of their character and
intellectual promise; and to educate the
young men so chosen free of charge."

In accordance with the above provi-
sion, fifteen Hopkins scholarships have
been allotted to students from North
Carolina who have already received a
credible baccalaureate degree or its
equivalent. Six of these pay \$100 per
year and free tuition, and nine give free
tuition. Appointments are made in Oc-
tober from students then in residence,
though applications should be filed at
the President's office previous to Octo-
ber 1st. In addition to the Hopkins
scholarships, students from this State

are allowed to compete for the twenty
Fellowships, paying \$500 each, and the
twenty University scholarships, paying
\$200 each, open to graduate students
from any country.

Since the opening of the University,
honors have been conferred on the fol-
lowing North Carolinians: Fellows—
WALTER HINES PAGE, first editor of the
CHRONICLE, and now editor of the FORUM;
HENRY BARBER NIXON, Professor of Math-
ematics, Pennsylvania College; WOODROW
WILSON, Professor of Jurisprudence and
Political Economy; CHARLES LEE SMITH,
Instructor in History and Lecturer on
Social Science, Johns Hopkins Uni-
versity. University scholar—CHARLES LEE
SMITH. Hopkins Scholars—J. M. HOKER,
C. E. BREWER, W. P. STRADLEY,
STEPHEN B. WEEKS, A. M. CARROLL, J.
R. MONROE, J. R. HUNTER, C. A. SMITH,
C. M. MURRAY, W. R. GREY, F. D. LOVE,
Doctors of Philosophy—HENRY B. NIXON,
WOODROW WILSON, RICHMOND HARD-
ING, CHARLES LEE SMITH. Bachelor of
Arts—JUNIOR MOORE HORNER. There are
two North Carolinians on the Academic
Staff—Dr. A. MARSHALL ELLIOTT, Pro-
fessor of Romance Languages and Dr.
CHARLES LEE SMITH, Instructor in His-
tory.

The Johns Hopkins University and the
Johns Hopkins Hospital, which is a part
of the medical department of the Uni-
versity, have an endowment of more
than seven million dollars. Besides
numerous books and papers published
from time to time, the University issues
eleven periodicals such as the Ameri-
can Journal of Mathematics, the Ameri-
can Chemical Journal, the American
Journal of Philology, and Studies in
Historical and Political Science. The
faculty numbers seventy including such
noted men of letters and educators as
PRESIDENT GILMAN, GILBERT LEEVE in
Greek, ADAMS in History, ELY in Political
Science, REMSEN in Chemistry, NEW-
COMB in Mathematics, ELLIOTT in the
Romance Languages, HANFT in the Sci-
entific Languages, MARTIN in Biology,
and ROWLAND in Physics.

We are glad to hear that for the com-
ing session the prospects are good for a
larger attendance than usual from this
State, and it is to be hoped that it will
not be long before our University and
Colleges will send as many representa-
tives to the Johns Hopkins as do Har-
vard, Yale, the University of Virginia
and other leading institutions north of
us.

THE SUB-TREASURY IN TEXAS.

There was a heated and animated dis-
cussion in the Texas State Alliance upon
the Sub-Treasury bill. It was finally
adopted by a vote of three to one, about
one-fourth of the counties not voting at
all. Afterwards, in deference to the
minority, who were determined and ear-
nest, a resolution submitting it to the
local Alliances for discussion was
adopted. Mr. BEN TERRELL, a well-
known Alliance lecturer, opposed adopt-
ing any resolutions requiring candidates
for Congress to pledge themselves to sup-
port the bill. He favors it and advocates
it always, but he thought that inasmuch
as many of the Alliancemen participated
in the Democratic State Convention, and
that Convention gave the Alliancemen
all they asked for, it would not be right
to pledge Congressional candidates on the
Sub-Treasury bill because it would
injure the great causes for which the
Democratic Alliancemen in Texas are
fighting for, and political chaos would
ensue.

There was developed in the discussion
opposition to the bill, and some of its
supporters based their advocacy of the
Sub-Treasury upon the declaration
that it was necessary as a retali-
atory measure for the Republican class
legislation, pension raids and other
steals on the Treasury.

ALAMANCE DEMOCRATS

Nominate a Strong Ticket—Gov. Holt
President—Biggest Convention Ever
Held in Alamance.

(Special Cor. State Chronicle.)

GRAHAM, N. C., Aug. 23, 1890.—The
Democratic County Convention met here
to-day in the court house. It was called
to order by Jacob A. Long, chairman of
the County Democratic Executive Com-
mittee.

Upon motion of Mr. Long, Lt. Gov.
Thos. M. Holt was called to the chair.
The colonel made a clear, strong speech,
defining the position of the Democratic
party as the party for the farmers to
look to for aid and relief. His speech
was received by the people with much
applause.

Messrs. Kernodle, Hunt and Mr. Bryde
were made secretaries.
The following ticket was nominated:
For House of Representatives, R. W.
Scott.

For Clerk, J. I. White.
For Sheriff, J. A. Hamilton.
For Treasurer, J. A. Dickey.
For Surveyor, L. Holt.
For Coroner, Dr. R. A. Freeman.
For Register of Deeds, J. H. Watson.
Every body says this is a strong ticket
and will certainly be elected. A resolu-
tion was passed endorsing Vance. It
was the biggest county convention ever
held in Alamance, good feeling and har-
mony was the order of the day. It was
a fine body of representative men.

To Lose its Character.

(Greensboro Cor. Richmond Dispatch.)
It is reported that Brower has suc-
ceeded in purchasing a controlling in-
terest in the North State and that a new
editor has been employed who will take
charge of it next week. The North State
under Colonels Boyd and Keogh has
been one of the ablest papers in the State
and the only Republican paper in it of
influence or character. If Brower con-
trols its future it is safe to say its char-
acter will be materially changed.

MASONIC PIC-NIC.

David County Masons have Contrib-
uted \$2,000 to the Oxford Orphan
Asylum in the Last Eleven Years.
(Special Cor. of STATE CHRONICLE.)

MOCKSVILLE, N. C., Aug. 23.—The
twelfth annual Masonic picnic was held
at this place yesterday, with speaking
by W. A. Blair, of Winston, and a con-
cert by a choir of the Oxford Orphan
Asylum. The purpose of these gather-
ings is to afford an occasion for all the
people to have a good time, and to raise
money, by gate and dinner fees, for the
Oxford Orphan Asylum.

The day opened with clouds and heavy
rains yesterday, which prevented many
from coming, though there was a good
crowd, and there will be near two hun-
dred dollars for the orphans, after ex-
penses shall have been deducted.

The Masonic Lodge here has contrib-
uted \$2,000 to that institution during
the past eleven years. * * *

W. H. & R. S. TUCKER & CO.

LAST WEEK IN AUGUST, 1890

This month is usually not
a very busy one in carpets,
but this August is an excep-
tion.

If we do not sell a single
yard of carpet this week,
we can still say Saturday
night, when we are through
work, that we have done
the biggest business in this
line of stuff that has ever
been done in Raleigh during
August.

Some may ask, what is
the cause?

Early in the month we be-
gan showing a line of car-
pets as large as is ordi-
narily brought out for regular
Fall trade. The complete-
ness of the stock, together
with lower prices than the
same grades had formerly
sold for, caused many to
buy early.

Last week was added new
attractions. This week we
want to close out some pat-
terns that are not brand
new, and to do so, we will
make it to your interest to
buy now.

NOTHING SUCCEEDS
LIKE SUCCESS.

The reason RADAM'S
MICROBE KILLER is
the most wonderful med-
icine is because it has
never failed in any in-
stance, no matter what
the disease, from LEP-
TOSY to the simplest
disease known to the
human system.

The scientific men of
to-day claim and prove
that every disease is
caused by MICROBES.

—AND—

RADAM'S MICROBE KILLER

Extirminates the Microbes and drives them
out of the system, and when that is done you
cannot have an ache or pain. No matter what
the disease, whether a simple case of Malaria
Fever or a combination of diseases, we cure
them all at the same time, as we treat all dis-
eases constitutionally.

Asthma, Consumption, Catarrh, Bron-
chitis, Rheumatism, Kidney and
Liver Disease, Chills and Fever, Fe-
male Troubles, in all its forms, and,
in fact, every Disease known to the
Human System.

PANACEA-WATER.

IT KEEPS FOR TEN YEARS!

IT IS NOT NECESSARY TO VISIT
the Springs in order to get cured. It has
cured people at their homes of many terrible
and lingering types of disease when patients
and physicians had lost hope, after having
tried medicines and other mineral waters of
great celebrity without avail. The Panacea
Water is pleasant, harmless and reliable, and
will cure people.

AT OR AWAY FROM THE SPRINGS

OF THE FOLLOWING NAMED DISEASES:

1. Dyspepsia and various forms of indiges-
tion.
2. Heartburn and sour stomach—generally
in a few minutes.
3. Kidney troubles of every variety.
4. Liver troubles of various kinds.
5. Chronic Diarrhoea as it may be.
6. Constipation and indigestion of the bow-
els.
7. Cutaneous diseases, such as scrofula,
eczema, &c.
8. General debility, impurity of blood and
loss of appetite.
9. Cholera infantum.

For nursing mothers, puny and teething
children it is of priceless value.
For piles and rheumatism, it in many in-
stances acts like a charm.
If you suffer with any of the above-
named maladies, do not despair until you
have tried Panacea Water.

Among hundreds who have given unquali-
fied testimonials to the value of the wonder-
working water, are the following well-known
and highly respected gentlemen:

- HON. J. J. DAVIS, formerly member of Con-
gress and at present one of the Judges of
the North Carolina Supreme Court.
HON. E. G. READE, formerly a member of
